

outils.c

```
graph TD; A[outils.c] --> B[stdlib.h]; A --> C[stdio.h];
```

A diagram illustrating the dependencies of the file `outils.c`. At the top, a gray rectangular box contains the text `outils.c`. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The box on the left contains the text `stdlib.h`, and the box on the right contains the text `stdio.h`. This visualizes that `outils.c` includes both `stdlib.h` and `stdio.h`.
